Dear Program Applicant:

An Equal Opportunity Employer

The **Tioga County Foundation** is pleased to offer its services as an approved Educational Improvement Organization for the Pennsylvania Educational Improvement Tax Credit (EITC) Program. This is an exciting program that offers businesses the opportunity to support educational initiatives within our local public school districts, Northern Tioga School District, Southern Tioga School District, and Wellsboro Area School District.

The **Tioga County Foundation** will annually be allocating a portion of the EITC funds for assistance with School-to-Work and Career Development programs in public school districts of Tioga County. Application requests will be considered for funding based on need, meeting the objectives of the EITC program, number of participants benefiting and other funds involved. Applicants from other educational providers, who are working in partnership with our school districts, will be considered for funding, as well. **All application activities must be approved by The Foundation in advance of the activity occurring. We encourage each School District to try and provide a funding match towards each submitted project.** Please allow adequate time for action by The Foundation.

As indicated on the application, please return the completed application to the **Tioga County Foundation** office at 114 Main Street, Wellsboro, PA 16901. If you have any further questions please contact Christie Blackwell at the *Tioga County Development Corporation* at (570) 723-8232.

Sincerely,

Robert J. Blair, Secretary
Tioga County Foundation
